

KIKI GOES TO PLAY: Dr Anuradha

KIKI HAD ONLINE CLASSES

KIKI was a small kitten. She wanted to play but Covid came and she was not allowed to go out.

KIKI felt unhappy and drowsy and not nice. Then came the SUN and the beautiful flowers. They said KIKI come and play with me.

KIKI played and felt very happy.

MAMMA said dear little KIKI we must play in sun to keep us happy , fit and healthy eyes.
